

Certificate of Achievement

to confirm that

DK HOLDINGS LTD

have planted

60

trees this month to demonstrate their long-term commitment
to helping the environment.

Since becoming a Green Organisation member

DK HOLDINGS LTD

have planted a total of

245

trees under the auspices of Sustainably Run
and the Trillion Tree campaign launched by the United Nations

The trees are planted where the need is greatest
around the world to provide the following benefits:

FOOD, FUEL, SHELTER, FARMING OPPORTUNITIES, WILDLIFE HABITAT,
ABSORBING CARBON DIOXIDE, PREVENTING DESERTIFICATION, EDUCATION, ETC.

The Green Organisation would like to thank

DK HOLDINGS LTD

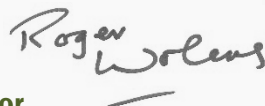

for your effective and ongoing commitment to helping
improve the environment for generations to come.

Congratulations on your achievements thus far.

Roger Wolens

Founder/Managing Director

The Green Organisation

26th May 2023

THE GREEN ORGANISATION

began in 1994. It is an independent, international, non-profit, non-political environment group dedicated to recognising, rewarding and promoting environmental best practice around the world. Their Green Apple Environment Awards are presented every year in the Houses of Parliament, Palace of Westminster, London. They organise the Green World Awards in a different country each year, and their annual Green Book of reference on environmental best practice is distributed free of charge around the globe.
